### WHAT?

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*

COPY 016 / 50

**WHAT?**

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*

# MEGA zine

ISSUE 02 NOVEMBER 2026

*between money and doom*

COPY 045 / 50

**WHAT?**

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*

**HOW TO READ IT**

Point your phone at a code. The links live online, so they outlast this paper.

---

**TOY**

## Metamers

Web

A button that writes a scientific paper that was never written, with figures, observers and statistics that agree with one another.

**PRESS THE BUTTON →**

**GAME**

## ChairQuest

Web

A quest game in which you try to survive a year as a university department chair.

**PLAY →**
