between money and doom

COPY 001 / 50

WHAT?

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*

WHAT?

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*

WHAT?

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*

between money and doom

COPY 041 / 50

WHAT?

Matt and Sam have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. – *Sysops: Sam and Matt*
